

Business After Hours is a free networking function coordinated by the KDCCI to promote member businesses.

Networking opportunities are the single most powerful marketing opportunity to accelerate and sustain your business. Whether you are expanding your business, promoting new products or looking to build new relationships with customers and suppliers, Business After Hours is the ideal opportunity for your business.

Hosting these events maximises attendance and broadens the representation from a variety of industry sectors and it is also financially beneficial.

Catering, beverages and venue hire are costs to be shared between all hosts, making the event more affordable.

Want to host a Business After Hours?

The event management fee for the Business After Hours is only \$250 per host (for three hosts) and includes:

- Design and develop event invitations
- Circulate invitations to all KDCCI members
- Register attendees and administrative services
- Coordinate catering and beverages
- Prepare name badges
- Greet guests upon arrival to the function
- An MC will formally introduce hosts
- Use of KDCCI staff
